

TECHNICAL DATASHEET

STALOC GLASS CLEAN

SQ-230

PRODUCT DESCRIPTION

STALOC Glass Clean is an active and effective foam cleaner, developed for cleaning glass, plastics, metals and many other surfaces.

In the automotive business the product is suitable for car windows or windscreens, chrome parts, head lamps, painted surfaces, etc. The product can be used for camping applications and household applications, e.g. mirrors, tiles, floors, etc.

STALOC Glass Clean active foam cleaner is also suitable for the quick cleaning of screens, keyboards or other office devices.

DIRECTIONS FOR USE

Recommended application – further information can be found in the material safety data sheet.

Shake well before use. Spray evenly onto the surface that needs to be cleaned. Provide for a short penetration time. Subsequently, wipe the surface with a clean cloth.
